Choose your holiday mood

One thoughtfully hosted evening. Three distinct settings.

RETRO SPIRIT. GOOD COMPANY.

Holiday Hi-Fi

A spirited throwback to the holidays of the 1950s through the 1970s. Tinsel and vintage glassware glow under warm amber light, while a vinyl DJ brings soul, boogie and holiday favorites.

Signature cocktail: The Grasshopper

Retro holiday attire

AN EVENING IN BLACK & WHITE

Noir Noël

Cinematic lighting, monochrome florals and black taper candles set a sophisticated scene. Jazz or a lounge vocalist accompanies dinner, with a DJ carrying the celebration into the night.

Signature cocktail: Midnight in the Vineyard

Black and white, with a splash of color

OLD-WORLD WARMTH. CITRUS & CANDLELIGHT.

The Orangery

Inspired by the glass houses of historic estates, this botanical celebration brings winter citrus, bay and eucalyptus to a candlelit table. Harp music flows through dinner, followed by a DJ.

Signature cocktail: Marmalade Old Fashioned

Cocktail attire in deep green, brass or terracotta
